Comments Received

Comments received during the comment period (March 8-29) will be **reviewed and addressed** by the Arkansas Department of Transportation (ARDOT).

Schedule

Following the public meeting, the **environmental studies** for the new overpass on County Road 139 will be finalized and submitted to the Federal Highway Administration for review and approval.

The **right-of-way acquisition** is anticipated to be complete by mid 2024.

Construction is anticipated to begin early 2025 and be complete by late 2026.

Future I-57

ARDOT's investment in the *Future I-57/US-67* corridor is indicative of the importance of this highway to transportation on the National Highway System. **At a more local level, construction of the Corning Bypass will improve road safety and will support ARDOT's future plans for the corridor.**
